34 EXPLANATION

35 This bill makes modifications to the sex offender registry

1 and the statute of limitations for sex abuse offenses, creates
2 a missing children safety fund, and makes appropriations.

3 DIVISION I — SEX OFFENDER REGISTRY. The bill modifies the
4 application of the tier structure of the sex offender registry.

5 Under the bill, a person newly required to register under
6 this Code chapter on or after July 1, 2013, or a person
7 required to register prior to July 1, 2013, but who has not yet
8 registered as of July 1, 2013, is required to undergo a risk
9 assessment.

10 The bill requires the department of corrections to
11 perform the risk assessment of sex offenders incarcerated
12 in the institutions under the control of the department of
13 corrections, or for persons under the supervision of the
14 department of corrections or judicial district department of
15 correctional services. The bill requires the department of
16 human services to perform the risk assessment for sex offenders
17 confined in institutions under the control of the department
18 or under supervision of the department. The bill requires the
19 division of criminal investigation of the department of public
20 safety to perform the risk assessment for sex offenders who
21 move to this state but who are not under supervision and for
22 offenders convicted in this state on or after July 1, 2013,
23 and who are not placed under supervision. The bill requires
24 a juvenile court officer to perform the risk assessment
25 for a juvenile who is adjudicated delinquent and under the
26 supervision of the juvenile court officer.

27 The bill requires the results of the risk classification to
28 be disclosed to the general public through the sex offender
29 registry internet site.

30 The bill provides that a person assessed a high risk to
31 reoffend shall be classified a tier III offender. A tier III
32 offender is required to appear at the sheriff's office, allow
33 the sheriff to photograph the offender, and to verify relevant
34 information every three months.

35 The bill provides that a person assessed a moderate risk to

1 reoffend shall be classified a tier II offender. A tier II
2 offender is required to appear at the sheriff's office, allow
3 the sheriff to photograph the offender, and to verify relevant
4 information every six months.

5 The bill provides that a person assessed a low risk to
6 reoffend shall be classified a tier I offender. A tier I
7 offender is required to appear at the sheriff's office, allow
8 the sheriff to photograph the offender, and to verify relevant
9 information once a year.

10 Under current law, the tier classification of a person is
11 based upon the type of offense committed, not the results of a
12 risk assessment as provided in the bill.

13 DIVISION II — STATUTE OF LIMITATIONS — SEXUAL ABUSE. The
14 bill eliminates the statute of limitations for the criminal
15 prosecution of sexual abuse in the first, second, or third
16 degree. The bill provides that a prosecution for sexual abuse
17 in the first, second, or third degree may be commenced at any
18 time after the commission of the act.

19 The bill further provides that if the person against whom
20 an information or indictment is sought for prosecution is
21 identified through the use of a DNA profile, the information or
22 indictment may be commenced at any time.

23 Under current law, a prosecution for sexual abuse in the
24 first, second, or third degree shall be found within 10
25 years after its commission, or if the person against whom the
26 information or indictment is sought is identified through the
27 use of a DNA profile, an information or indictment shall be
28 found within three years from the date the person is identified
29 by the person's DNA profile, whichever is later.

30 In addition, under current law, a prosecution for sexual
31 abuse in the first, second, or third degree committed on or
32 with a person who is under 18 years of age shall be found within
33 10 years after the victim attains 18 years of age, or if the
34 person against whom the information or indictment is sought is
35 identified through the use of a DNA profile, an information or

1 indictment shall be found within three years from the date the
2 person is identified by the person's DNA profile, whichever is
3 later.

4 DIVISION III — MISSING CHILDREN SAFETY REVOLVING FUND —
5 APPROPRIATIONS. The bill creates a missing children safety
6 revolving fund in the state treasury under the control of
7 the department of public safety. The bill requires the
8 department of public safety to use the moneys in the fund for
9 establishing and supporting joint training and best practice
10 protocols between state and local law enforcement agencies for
11 finding missing children. The best practice protocols shall
12 include but not be limited to the following: a statewide
13 alert system separate from the amber alert system; an active
14 alert system based upon geographic proximity to the location
15 involving the missing child using electronic and social media;
16 the establishment of voluntary community neighborhood search
17 teams that can be mobilized within two hours of the report of
18 a missing child; and the establishment of a statewide human
19 trafficking task force with the capability to coordinate a
20 search for a missing child based upon localized knowledge of
21 human trafficking in the area where the child is reported
22 missing.
23 The bill appropriates \$2 million to the department of public
24 safety for deposit in the missing children safety revolving
25 fund for FY 2013-2014.
